

CURRICULUM VITAE

Stefano Cataudella

Born in Viterbo, Italy, 7.8.1949

- 1973 "Laurea" with honours in Biology, University of Rome "La Sapienza"
- 1974 Fellowship of the National Research Council (CNR), University of Rome
- 1975/79 Fellowship of the Ministry of Education, University of Rome
- 6/1975 Winner of the award "G.B.Grassi" for Biological Talassographic of the Italian Accademia Nazionale dei Lincei
- 1980 Research scientist at the University of Rome 'La Sapienza'
- 1980-81 National coordinator of the sub-project "Freshwater aquaculture" granted by the Italian Ministry of Agriculture Policies (Progetti finalizzati, Law 984/77)
- 1982-87 Responsible for University of Rome 'La Sapienza' partnership in an IPRA C.N.R. project on genetics of finfish species for aquaculture
- 10/1982 Member of the Advisory Board on freshwater fishery of the Italian Ministry of Agriculture Policies
- 1982-86 National Coordinator of the sub-project 'Marine aquaculture' granted by the Italian Ministry of Agriculture Policies (Progetti finalizzati, Law 984/77)
- 1982-84 Missions on-the-field for aquaculture development in Algeria, Turkey, Tunisia, Morocco, Egypt, Greece for the MEDRAP/F.A.O. U.N.D.P. Project
- 7/1983 Responsible for the EEC Commission of the study on economic and technical aspects of aquaculture in European Community Countries
- 9/1983 Participates to the "Expert Consultation on the management of coastal lagoon fishery" G.F.C.M./F.A.O.
- 1983-84 Coordinator of a study on historical, biological and socio-economical aspects of fishery on the Tiber river (Roma Municipality)
- 1985-87 S.C. is involved in more than 40 missions in all the Mediterranean Countries for the MEDRAP/F.A.O. Project, for the development of sustainable practices in coastal lagoon aquaculture
- 1986-87 Coordinator of the research project on artisanal fishery in the river Tiber for the Rome Province
- 10/1986 A.D.C.P./UNDP (Aquaculture Development Programme) Representative at the Symposium on Aquaculture Research and Development Priorities for Africa, Senegal
- 1987 Member of the Scientific Committee of ICRAAP (Italian Institute for Applied Research in Fisheries) (Italian Ministry of Merchant Navy)
- 8/1987 Mission for the F.A.O. Latin-American Regional Project of Aquaculture (Brazil, Mexico, Venezuela)
- 12/1987 Nominated Associate Professor in Ecology at the University of Rome 'Tor Vergata'
- 1988/91 Member of the Editorial Board of the international scientific journal AQUACULTURE
- 1/1988 Nominated Associate Professor in Fishery and Aquaculture Biology (Ecology) at the University of Rome 'Tor Vergata'

- 7/1989 C.U.N. (National University Council) Representative for the Central Consultive Committee for Fisheries of the Italian Ministry of Merchant Navy
- 6/1990 Member of the FAR/EEC Evaluation Committee for aquaculture research projects
- 8/1990 C.N.R. (National Research Council) Representative in the Scientific and Technical Council of the Italian Ministry of Merchant Navy
- 9/1990 Member of the Scientific Commission of the ENEA (Italian National Agency for New Technologies, Energy and Sustainable Economic Development) and the Italian Ministry of Merchant Navy Convention
- 2/1991 Nominated in the MAGP (Multiannual Guidance Plans for Aquaculture in European Countries) Evaluation Committee of EEC
- 7/1992 Member of the Italian Delegation for Italian Education, University and Research Ministry in the EEC AIR Programme
- 9/1992 Member of the Bureau of the Italian Society of Ecology
- 6/1994 National Coordinator for the Research in Aquaculture, Italian Law 41/82
- 7/1994 Full Professor in Ecology at the University of Rome 'Tor Vergata'
- 1995 Leader of the Italian Delegation at FAO/GFCM, Alicante, Spain
- 1995 Member of the Italian Scientific Committee on Antarctic Research (SCAR)
- 7/1996 Coordinator for the Research in Aquaculture by Italian Law 41/82 (IV Three-Year Plan)
- 9/1996 Nominated President of the FAO/GFCM Aquaculture Committee
- 10/1996 Member of the Panel "Five Year Assessment of the Specific Programme: Agriculture, Fisheries, Forestry and Agro-Industry", European Commission, Directorate-General XII: Science, Research and Development; Directorate-Generale VI: Agriculture and Rural Development; Directorate-General XIV: Fisheries
- 1973/1995 S.C. carried out more than 150 missions in many Developing Countries (Africa, Latin America, Asia) for the development of production models and action strategies in aquaculture and artisanal fishery
- 6/1997 Member of IRPEM (now Institute of Marine Sciences –ISMAR) of Ancona (Italy)
- 1997/98 Italian Delegate to the COFI/FAO Conference
- 1998 Co-chairman (European Aquaculture Society) at the EAS-WAS Conference AQUA2000
- Member of FAO/ITA Group to the Conference on the Code of Conduct in Mediterranean
- Member of FAO/ITA Group at the MEDRAP Project
- Member of the IRPEM (now Institute of Marine Sciences –ISMAR) Scientific Committee
- Member of the Scientific Committee of the Thalassographic Institute (Italian National Research Council) of Messina
- Member of the Risks Committee of the Italian Presidency of the Council of Ministers.
- Member of the Scientific Committee of Scientific Committee on Antarctic Research (SCAR)
- Member of the Italian Sea Resources Management Committee (Italian Law 41/82)
- Member of the Scientific Research Committee of the Italian Ministry of Agricultural Policies, Law 41/82

17-18 June 1999 Invited speaker by the European Commission at 15th Annual Meeting between European Senior Fisheries Corporation Advisor and the European Commission, Bremen, Germany

July 1999 Chairman of the Experts Consultation for the application of the FAO Code of Conduct for a Responsible Fishery in the Mediterranean

Sept. 1999 CNEL (National Council of the Economy and Labour) Audition on Research in Aquaculture

2000 Co-chairman at the Congress AQUA 2000, Nice (France), International Conference and Exhibition, "Responsible Aquaculture in the new millennium", organised by the European Aquaculture Society (EAS) and World Aquaculture Society (WAS), May 2-6, 2000.

President of the Commission "Sustainability in Fisheries", law 41/82

Member of the CTS (Technical and scientific committee, law 297, 27 July 1999) Italian Ministry of Education and Research

FAR/CEE mission – Investigations for the environmental restoration of Albanian coastal lagoons

2001-2012 Member of the Italian Delegation to the COFI/FAO

2001 Member of the Italian Delegation to the GFCM/FAO

Invited to the Expert Consultation on Sustainable Aquaculture Indicators – FAO

Member of the Central Advisory Committee of Fishery of the Italian Ministry of Agriculture and Forestry Policies

2002 April: Italian Delegate to the Aquaculture Sub-Commission U.N. (F.A.O.)

July: Invitation to participate to the meeting of the FAO Biodiversity Commission on interactions with mariculture

Member of the Italian Delegation to the GFCM/FAO

Member of Scientific Committee of Scientific Committee on Antarctic Research (SCAR)

2003 Italian delegate at the FAO/ADRIAMED Committee

2004 Participation to the CGPM FAO Activity

Audit CAC/FAO/ Beijing (China) CAC COFI FAO

Chairman to the Workshop on Interaction aquaculture-capture fisheries – FAO/ADRIAMED

NOA USA expert for Risk Assessment

2005 Coordinator of the UNPD Project: Iran Aquaculture Development

2006 Member of the Organizing Committee of the EAS/WAS AQUA2006

Consultant for the Italian Agriculture Ministry for fishery and environment

2005-2008 Scientific Responsible for the UNPD Project on Iran Aquaculture Development

2008 Coordinator for the State of Fishery Resources of the Italian Marine Fishery for the Italian Ministry of Agriculture and Forest Policies.

2007-2008 Responsible for the National Plan for the Protection of Marine Fishery Resources.

2008-2010 Coordinator of the Italian Fisheries GIS

2009 Scientific coordinator of the Italian network on fisheries sciences ITAFISHNET

2006-2012 Advisor for Fisheries Policies of different Ministries of Agriculture

2011- Chairman of GFCM

2012 Responsible of the GFCM task force

S.C. has been dealing with professional fisheries and aquaculture since his teen age.

In 40 years of work, S.C. visited over 100 countries in all the regions of the world in the frame of developing projects on aquaculture, fisheries and coastal lagoon management.

As university professor, S.C. has been the supervisor of more than 200 dissertations related to fish biology and aquaculture, valliculture and coastal lagoons management, fisheries sciences. Many of his students have continued their activities in scientific research, in fish farms and national and international organizations dealing with fisheries and aquaculture.

S.C. is a member of SITE (Italian Society of Ecology), UZI (Italian Association of Zoologists), SIBM (Italian Society of Marine Biology), EAS (European Aquaculture Society) and he is registered in the Italian Association of Biologists.

Key-words in research activities: fin-fish biology, ecology, aquaculture, use of living aquatic resources, sustainable development.

In his private activities S.Cataudella is Member of the board of IMA INDUSTRIES, worldwide leader in the production of automatic machinery for food packaging.
